I work since the late 80ies around scientific publishing and can be called independent Journalist, Scientist, and Consultant with focus on projects with/for NGOs and voluntary board positions for example for the Council on Global Issues, Toronto, Berlin, IHTEC, Toronto (consultative status for UN – ECOSOC), The Tagore Einstein Council and various other Youth, Culture, and Education organisations.

I published since the late 80ies 200+ articles, lectures and essays in Media, Books, Internet . . . Subjects range from environments, culture, multi-lingual, youth, governance, communication, voluntary youth, community, building, peace, dialog and decision cultures for youth media, journals, books and international associations at conferences or around “summits”, conventions and councils. Projects and publications in the categories: Dialog, Environment, Education, Cultures, Systems, Futures, Global Change are listed at my “jump-page” web-site: benking.de I maintain group profiles in various “communities”, see Wiserearth www.wiserearth.org/user/benking, or Youth-Leader <http://www.youth-leader.org/index.php?id=779>

Please see also my WIKIPEDIA profile (not updated): User:Benking - Wikipedia, the free encyclopedia, en.wikipedia.org/wiki/User:Benking

Heiner Benking

Independent, Journalist, Facilitator, Consultant, Scientist

PS:

I am writing this after a phone-call with Torsten Schramm (ijgd) www.euromedalex.org/node/8932 still in Weimar where with Gianluca Solera and Helmut Rieth we had been summing up of Youth and Migration Issues and where we as “ab40” – ALS ALF GERMANY node of ALF member in Germany with my OPEN_FORUM colleague had been presenting the magic roundtables – see also GOVERNANCE 2.0 and STAMMTISCH 2.0

<http://gov20.cpmg.eu/?s=benking> or the recent International theater meeting in Berlin **** and (PNW) www.euromedalex.org/node/9299

For 1001 Actions for Dialog I had prepared by “Expertise” *Expertise Heiner Benking: Virtual Conferencing:*

Virtual Conferencing: Expertise Heiner Benking: A Timeline of Applications in the field of Electronic Communications. (for

application areas (Social, ... www.benking.de/culture/Expertise-VC-HeinerBenking.pdf

Presented the impressions and some outcomes of the ANNA LINDH FOUNDATION Barcelona Forum 2010, More at: www.open-forum.de/Barcelona-Forum-2010/

As I am supposed to create 3 pages as a backgrounder, maybe this slide on GLOBAL and INTERCULTURAL LEARNING can help to provide a bigger picture

This collection of stations on the way and publications might be go entry point into my work:

Dialog and Decision Cultures, Conversation, Participation and Deliberations, Mediation and Peacemaking – a selection of references and milestones
